

# O NE RESO LUTION YOU MUST KEEP

---

**SCHEDULE AN  
EYE EXAM THIS MONTH!**

One in three adults will experience an eye disease by the age of 65\*. That's why you need an annual eye exam. A comprehensive eye exam checks your vision and then some. Think of it as a physical for your eyes.

\*National Center for Health Statistics.

Schedule your exam at:  
[eyemed.com](https://eyemed.com)
